Property details

Impressive villa completely refurbished in the year 2016, arranged over 4 levels, is situated in a private location with 3 other villas, with direct access from Iancu Nicolae, where benefit from a generous area both on the inside and a landscape garden arranged in detail with barbecue, patio and a large terrace. The villa was built on a plot of 1350 square meters and has an area of 600 square meters. The basement of the Villa is composed from kitchen, laundry room, storage room and garage for 2/3 cars. The Gf is composed of living room area, open kitchen with dining room, Office, bathroom and a terrace. On the first floor we have 4 bedrooms with 2 bathrooms and 2 balconies. Attic consists of open space, bedroom, bathroom and balcony. Considering the generous spaces, comfort and location offered, this beautiful property is ideal for the residence of an Ambassador or a family of expats.
